Champions Kept Busy.

Taking everything into consideration, started in the singles and unfortunately Goss proved the better. Their match was a hard fought one and brought out what ordinarily would have been enough tennis for a day. But then the national tennis for a day. ANOTHER TITLE Takes Final Match for State Title in Five Sets.

> Harold Throckmorton won the New Jorsey State tennis title in eingles yes-terday on the courts of the Montclair Atheltic Club by defeating Peter Ball, a former Yale player, in the final round in five sets, at 6—2, 6—0, 8—10, 3—6, 6—3. Throckmorton advanced in the final round by defeating Percy L. Kynaston in the final round at 6—1, 18—16, while Bail moved up on a victory over Cedric Major at 7—5, 6—1.

> To win th title, Throckmorton had to play enough tennis to do any ordinary racquet wielder for a month. He had a total of 91 games for the afternoon. It was not due to the fact that Kynaston

was not due to the fact that Kynaston carried Throckmorton to an 18—18 set that the latter experienced so much difficulty in defeating Ball. In his long set with Kynaston, Throckmorton was not trying very hard at any stage. He was bothered a great deal, however, by the slow, deliberate play of his rival.

In the final match, Throckmorton played all around Ball for the first two sets and had victory within his grasp a number of times during the third. In that third set, however, Throckmorton became wild, parity through his desire to hurry the match. He made so many errors that Ball did not have to work hard to take the set. In the fourth set Throckmorton was still erratic and threw away point after point. He steadled in the fifth set in time to win the match, but he had to fight hard for every game.

field championships, contested yesterday in the College of the City of New York Stadium, resulted in a tie between Manual Training and Flushing. Although Flushing won six events, just double the CLASSIC SUBURBAN number won by Manual, they were dead-

locked at 31 points. De Witt Clinton finished third with 19 points, while Erasmus Hall was fourth with 18. Commerce was fifth with 15 points, Stuyvesant sixth with 7, and Morris seventh with 3. Five other schools broke into the scoring.

Harry Appel of Flushing and J. Clark of De Witt Clinion shared the individ-ual honors. The Long Island athlete won three titles, while Clark was the only record breaker of the meet. Ap-pel won the 120 yard high hurdles, the 220 yard low hurdles and the discus theow. In all three events Appel won easily. He threw the discus 121 feet 7 inches, which was almost six feet better than which was almost six feet better than his nearest rival's, throw. He won his two track titles just as easily. In the 120 yard high hurdles race he showed the way to J. Karpf of Erasmus by five feet and had the same advantage over W. Jennings of Jamaica in winning the 220 yard low hurdles.

Betters Jump Record. The mark to fall before Clark was that for the senior running high jump. In taking this title the Clinton athlete leaped 5 feet 9% inches, adding seven-eighths of an inch to the former mark, held by H. Rosenberg of Morris. R. Brown of Stuyesant, who finished sec-ond to Clark with a jump of 5 feet 8% inches, was only a quarter inch short of equalling the record. equalling the record.

The Coaching Club Oaks is probably the oldest turf fixture in America. It was formerly the Singleton Cup, which was first won by Kosciusko in Charleston in 1822. The famous trophy became the property of the Coaching Club a few years ago. The Caks was inaugurated in 1917 and the Singleton Cup and a silver trophy donated to it. To get the rare old relic the stake must be won three times by the same owner, but a silver cup goes with each victory in 1915, and the 800 meters mark was Henry Alexandre, William Loew, Rag-

It is a test for three-year-old fillies at one mile and three furlongs. For it more than a score of renowned fillies were nominated, but only four went to the post. They were Polka Dot and her stable mate, Merry Princess, J. H. Rossiter's Passing Shower and Henry A. Porter's High Born Lady. High Born Lady led the way, followed closely by Merry Princess, for three-quarters of a mile. Then Polka Dot began to move up and entering the homestretch took command, where she remained to win by two lengths from Passing Shower. High Born Lady was third.

This event tended to whet the appetities of the thousands for the better things to come in the Suburban. For this classio three of the original eleven overnight entries were withdrawn and left a field so evenly matched that old timers called it the most opgn race they had ever seen.
